A recent round-the-world cruise on the *Rotterdam* with a stop-over in Hawaii inspired Ethel Smith to record MAKE MINE HAWAIIAN.

She was so enchanted with the music, the people, and the bewitching beauty of the Islands, that a personal appearance of her one-woman show was arranged with brilliant success. An original composition, *Hawaii*, musically expresses her impressions.

Ethel's approach to the native music is both traditional and modern, and her Hammond lends itself perfectly to the portrait of swaying palm trees, stunning sunsets and the excitement of native dancing.

The music is familiar but the sound, as you might expect, is delightfully new.
